Booking Terms & Conditions (Recreation Grounds)

- Users are required to apply to Council for the use of a sporting facility BEFORE the commencement of their usage.
- An approved booking application gives a user permission to use the field/area for the agreed period of time as stated in the application form.
- It does not give the user control of the field/area.
- Users must ensure that vehicles are not driven onto the playing surface or on any areas of the facility that are not designated for parking. The only exception to this is emergency vehicles i.e. ambulance/fire/police.
- If a user requires access through a gate it is the responsibility of that user to lock the gate at the completion of the activity. In the instance that a gate is left open, the hirer will be liable for any damage to the playing surface and/or surrounding area. Furthermore, in the event that Council is called out after hours to close and lock a gate, the costs for the call out will be charged to the hirer.

Please note - Usage of an extremely wet field may result in damage that could take months to repair.

- Council reserves the right to close any sports ground:
 - to protect the playing surface, reduce risk to competitors and the public;
 - o to complete capital or maintenance works; or
 - due to poor weather conditions or to allow rehabilitation of the ground after damage.
- In the event that a user is found to have used a field when it was closed, the following will apply:
 - if the use results in damage to the playing surface, the costs associated with the repair of the surface will be the hirer's responsibility; and
 - o the hirer's future use of Council managed fields will be put in jeopardy.
