Terms and Conditions

Burial Right Holders and Applicants must comply with all rules and regulations, which may apply to the operation of the cemetery. Council may vary its rules and regulations at any time and in any manner it deems appropriate.

Burial Rights - The burial right to a new grave or ashes memorial may be purchased by an individual who is then entitled to be interred in the grave or memorial and authorise the interment of others in the grave or memorial (up to the number permitted in that grave as determined by Council from time to time). The person who signs the Application for Interment Form becomes the Burial Right Holder. Only one person may be the Burial Right Holder to a grave or memorial. The right may not be sold and is not transmissible by death.

On the death of the Burial Right Holder the authority to authorise interments in a grave reverts to Council. Council will permit, in its absolute discretion, a spouse, child, partner, relative, direct descendant or a friend of the Burial Right Holder to be interred in the grave provided that if it has no reason to believe that the Burial Right Holder would have objected. A completed Interment Consent Declaration Form needs to be provided to enable this to occur. A completed Interment Consent Declaration Form is needed to enable this.

Burial rights to unused graves and ashes memorial sites may be returned to Council and, where proof of purchase is provided, 80 per cent of the original purchase price will be refunded. If proof of purchase is not able to be provided by the Burial Right Holder, Council will provide a refund of \$200. Council may permit, in its absolute discretion, the transfer of a Burial Right from one person to another. Burial rights to a grave may only be transferred on one occasion.

Interment and Standard Supply of Equipment - I agree and accept Lockyer Valley Regional Council will not be held responsible or liable for any dispute arising from any interment carried out under this application. I hereby indemnify and hold harmless the Lockyer Valley Regional Council, its servants, and agents, from any claims, actions, suits or demands arising from any interments carried out under this application.

I understand and accept every attempt will be made by Council to dig new graves at double depth, however, due to ground conditions in some situations only single depth may be attainable. In some situations, another grave location may be required.

I accept for interments, Council's standard supply of equipment includes a lowering device (where possible), two 3m x 3m marquees (when safe), one dozen chairs and grass matting. If a lowering device is unable to be supplied by Council, the funeral director will be notified as soon as possible. Any further equipment required for the service, for example additional chairs, will need to be obtained from another source.

Flowers and Memorabilia - Graves in lawn areas (as distinct from traditional monumental graves) are intended to have minimal flowers and memorabilia. No more than three receptacles for flowers are permitted on lawn graves or ashes memorials. Glass or metal containers, solar lights, pot plants, pebbles, plastic windmills and fencing are not permitted on lawn graves or ashes memorials. Any type of planting in lawn graves areas and monumental burial areas is prohibited.

I acknowledge and accept the terms and conditions above.
